Dear Parent or Guardian,

Thank you so much for your interest in our Vets in Training after school program. Below are four waivers you will need to fill out and bring with you on your child's first day. These waivers are very important to have with you, as they will determine your child's ability to participate in certain activities.

When you arrive, please enter the shelter through the Education/Training entrance (to the left of the main Adoption Gallery entrance). You will meet your instructors in the Education Classroom, where you will sign your child in and drop off their forms. We require you to sign your child in and sign your child out each day they are in our care at the shelter.

In addition to bringing the waivers, please bring the following:

- A recent coloured photograph of your child
- Indoor footwear

The program will run from 6:30pm to 8:30pm . You may drop your child off between 6:15pm and 6:30pm, and pick them up at 8:30pm.

We thank you again for supporting the Edmonton Humane Society and we are so excited to have your child with us during our Vets in Training after school program this year!

## Waiver and Release Form for Minors

PLEASE RETURN FORM ON THE FIRST DAY OF VETS IN TRAINING!

I understand that my child will be interacting with approved Edmonton Humane Society (EHS) animals with adult supervision. While the approved Edmonton Humane Society animals have been temperament tested by the EHS and determined to be safe for interaction with the public, animals by their nature are unpredictable. The EHS will ensure that interaction between my child and animals is supervised by trained individuals, but that the EHS will have complete discretion in determining how to react in all circumstances including unpredictable animal behavior.

I also understand that my child may be interacting with an animal that may not be hypo-allergenic and thus, may evoke an allergic reaction in my child. All reasonable precautions will be taken to ensure that my child does not come in contact with foods that may cause an allergic reaction, but no guarantee can be made. I have provided EHS and EHS representatives with all of my child's known allergies and appropriate medication. In addition, I have no knowledge of any medical condition that would prevent my child from participating in the activities during the Edmonton Humane Society after school programs.

On behalf of myself and my child, I hereby release and discharge EHS and EHS representatives from all actions, claims, or demands that I, my spouse, relatives, successors, heirs, distributees, guardians, legal representatives, and assigns now have or may hereafter have for injury, physical or mental conditions, or damage in connection with my child's entry onto the premises and/or participation in the activities.

I have carefully read this agreement and fully understand its contents. I am aware that this is a release of liability and a contract between myself, the EHS and EHS representative, and I sign it of my own free will. I also sign this agreement and release for and on the behalf of my child entering onto the premises and/or participating in the activities.
