Our one year kennel sponsorship offers an opportunity for individuals to publicly recognize family, friends, pets or businesses in a special and unique way. By sponsoring a kennel, you are making an incredible difference in the lives of the animals that temporarily reside at the Edmonton Humane Society.

The revenue generated from the Kennel Sponsorship Program is used to support the vital programs and services of the Edmonton Humane Society such as our Adoption Program, Animal Protection Program, Behavior Program and the Veterinary Medical Program.

Kennel Sponsorships is a great way to:

- Promote a business
- Celebrate a birthday, anniversary, wedding, holiday or event
- Commemorate an adoption
- Memorialize a person
- Memorialize a pet

All kennel sponsors will be recognized on 7.75" x 3.75" signage (as below – area in white) that is customizable for logos, photos and wording. EHS reserves the right to refuse any kennel card application, or to edit for length and content.

Kennel Sponsorship Packages

Please be aware that not all kennels listed are made publicly available for viewing; some are behind the scenes that can only be viewed by EHS staff, volunteers and during shelter tours.
