

How To Make A Cat Scratch Board!

Time Required

- 20 minutes to prep

Supplies Needed

- Corrugated cardboard
- Scissors
- Glue
- Ruler
- Pipe cleaners

Instructions

1. Use the ruler to draw lines on your cardboard.
2. Cut along the lines.
3. Turn strips so corrugated side facing out and glue together.
4. Before gluing the last strip on each end place a pipe cleaner between so they can be tied to doors later.
