

Set-Up Steps

1. Ensure video is set to full-screen and that all viewers can clearly see and hear to follow along
2. Optional: Provide viewers with attached Fill-in-the-Blank work sheet for better comprehension or potential participation marks
3. Question Slides: When you see **STOP** on a slide, pause the video immediately after the question and options have been read aloud, then resume after to reveal answer and continue the presentation
4. Optional: Tug Toy crafting activity for participants to make at the end of the presentation. These items are good for both cats and dogs and can be sent home with students or donated to EHS.
 - a. To donate these items, please be aware that donations can be dropped off outside the EHS main doors in large green bin. Visit our website for more information on donations and how you can help!

Please send your feedback and suggestions, as well as any unanswered questions by email to:
