

## Supplies For Each Colour

- 2 Tbs Cornstarch
- 2 C water
- Empty spray bottle
- Liquid food coloring
- Bowl
- Spoon

## Time Required

- 5 minutes to prep

## Steps

1. Add water to bowl, followed by cornstarch and mix well!
2. Add 8 drops of your chosen colour or add more drops if you want it darker, then mix well
3. Pour liquid mix into your spray bottle
4. Repeat steps 1-3 for each colour you want to make
5. GO OUTSIDE AND GET CREATIVE!
