

How To Make A Stuffed Kong!

Time Required

- 10 minutes to prep
- 2 - 4 hours to freeze

Supplies Needed

- Kong dog toy
- Spatula or spoon
- Kibble and treat mix
- Peanut butter or wet dog food
 - NOTE: artificial sweeteners are toxic for dogs so keep it natural

Instructions

1. Put a few treats or kibble mix inside Kong so it is filled about halfway
2. Cover the hole at the top of the Kong with a thin layer of either Peanut butter OR wet dog food
3. Put in freezer to freeze for at least 2 hours or over night
4. Give to your dog when it's time for a treat in an area that is easy to clean or safe to get messy
