

Set-Up Steps

1. Ensure video is set to full-screen and that all viewers can clearly see and hear to follow along.
2. Optional: Provide viewers with attached Fill-in-the-Blank work sheet for better comprehension and participation marks.
3. Question Slides: When you see **STOP** on a slide, pause the video immediately after the question and options have been read aloud, then resume after to reveal answer and continue the presentation.
4. Optional: Puzzle Feeder crafting activity for participants to make at the end of the presentation. These items can be made for all animals at EHS so they can be sent home with students or donated to EHS.
 - a. To donate items, check our website for for the most up to date instructions!

We hope you enjoy this presentation.
Send us your feedback, suggestions, and questions.
We'd pawsitively love to hear from you!

Follow Along Worksheet

1. What is domesticated? *These animals rely on us and live with us in our homes*
2. What are the 5 Basic Needs? *Food, Water, Shelter/Home, Medicine, Love*
3. Name the five freedoms and what they mean?
 - a. Freedom from hunger and thirst: always having access to fresh water and food
 - b. Freedom from discomfort: providing a home the animal is comfortable in and a resting area.
 - c. Freedom to express normal: behaviour: enough space and a safe space for washroom and express normal behaviour
 - d. Freedom from fear and distress: providing a space where they can be happy healthy and stress free.
 - e. Freedom from pain, injury and disease: bring them to a vet for regular check ups
4. What do the Five Domains explore in more detail than the Five Freedoms? *The Five Domains explore the mental state. Every physical aspect that is affected there may be an emotional reaction.*
5. How often should you take your pet to get a physical exam? *Once a year*
6. How many litters can a cat have in one year? *Up to five*
7. Name 3 times you should take your pet to the vet? *Cloudy or red eyes, odd eating habits, unusual stool, vomiting, emergency situations - hit by a car, bleeding, possible food poisoning.*
8. PAUSE SLIDE, Brainstorm what should you do if your animal gets lost and how you can prevent it. *Call vets or shelter, put up posters. Your pet should have an ID tag on their collar, a tattoo or microchip with your current contact information.*
9. PAUSE SLIDE, Name 3 things that may provide enrichment for a dog, a cat and a rabbit.
Dog: Off-leash dog park, tug toy, snuffle mat. Cat: space to explore, treat roll, other cats
Rabbits: space, treat balls, puzzle feeders
10. What YouTube Playlist has more ideas for enrichment? *Edmonton Humane Society: Connect with Pets*
11. Bonus Question: How many animal breaks did you see today? *Six*

How To Make A Puzzle Feeder!

Time Required

- 10 minutes to prep

Supplies Needed

- Scissors
- Tissue box
- Toilet paper or paper towel roll
- Treats

Instructions

1. Collect 10 or more toilet paper rolls and one empty tissue box.
2. Cut the top off of the tissue box (throw the top away)
3. Stuff the box with toilet paper rolls with ends up until the box is full. Rolls should sit snug inside and won't fall out when upsidewdown.
4. Hide some treats inside for the animal to find.
