

# Building Bunny Towers!

## Supplies Needed

- Boxes
- Scissors

## Time Required

- 10 minutes - 2 hours

## Instructions

1. Collect boxes of various sizes.
2. Arrange your boxes and plan how to connect them.
3. Cut bunny sized holes in boxes.
4. Attach boxes using pet & chew safe glue, rope, or thick string and let glue or drawings dry.
5. Add on other fun enrichment items for the rabbit (newspaper, fabric, hay, treat puzzles, etc.)

**NOTE: If decorating, only use non-toxic markers and avoid using glitter.**
