The Edmonton Humane Society's (EHS) **Kennel Sponsorship Program** offers you the opportunity to publicly recognize family, friends, pets, or businesses in a special and unique way, while supporting the care of homeless, abandoned and neglected companion animals.

By sponsoring a kennel for one year, you are helping us to provide a safe space for the animals who enter our shelter and give them the care and treatment they need to have a chance at finding a new, loving family. Beyond sheltering, you are also helping to further our work in supporting happy, lifelong bonds with their pets by providing education, training and resources for pet guardians.

EHS Pet Dixie, Adopted April 2021

As a non-profit, nearly 70% of EHS' funding comes from our community from special events, donations, and fundraising initiatives -- **including Kennel Sponsorship**. This support comes from people **like you**: kind-hearted, caring individuals and organizations who want to improve the lives of companion animals.

EHS Pet Buddy, Adopted May 2021

Kennel Sponsorships are a great way to...

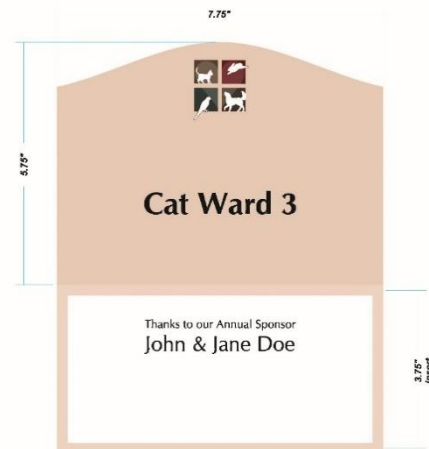

- Promote a business
- Celebrate a birthday, anniversary, wedding, or event
- Commemorate a pet adoption
- Memorialize a pet or loved one

...while helping animals like Buddy and Dixie!

All kennel sponsors will be recognized on a 7.75" x 3.75" signage* (see image to right) that is customizable for logos, photos, and wording.

EHS reserves the right to refuse any kennel card application, or to edit for length or content.

*EHS is currently updating branding in the facility so the display may change slightly over time- recognition will remain the same.

Kennel Sponsorship Packages

We have many different types of kennels you can sponsor that are sure to be meaningful to you or your honoree. There are dog and cat kennels as well as small animal homes (where critters like rabbits, guinea pigs, hamsters, gerbils and even the odd hedgehog live) that can be viewed by the public. We also have kennels that are private and located behind-the-scenes, where animals receive much-needed care to get them ready to find homes. These kennels are viewed only by EHS staff, volunteers and during shelter tours.
