

How To Make A Bird Feeder!

Time Required

- 10 minutes to prep

Supplies Needed

- Plate and butter knife
- Bird seeds
- Peanut butter
- Toilet paper or paper towel roll
- Optional: twine or ribbon to hang

Alternatives

- Pine cone for the base

Instructions

1. Spread the peanut butter all over the toilet paper roll
2. Roll and press the toilet paper roll into the bird seed
3. Optional: poke hole on either side of the roll and tie twine or ribbon to hang from a branch or hook.
